Handicap Chair: _____

GAM Club Rep: _____

Terms of GAM Membership

1. Complete this form fully and submit to membership@gam.org.
2. GAM annual club dues are \$100.
3. Applicants who require a Course Rating or re-rate will be evaluated on club member history, location and date of last course rate. If an applicant requires a course rating or re-rating, they must pay for two years membership up front (\$200). In addition, a nominal fee to cover the Course Rating expense will apply. This will be determined by the GAM based on the number of holes and tees to be rated.
4. Clubs with a consistent history of GAM membership receive a free Course Rating every 10 years.
5. The GAM charges UP member clubs \$14 per person for GAM membership, which includes Handicap Services. The suggested retail for UP GAM membership is \$24. GAM member clubs are authorized retailers of GAM memberships. Clubs may collect payments for individual GAM memberships or direct golfers to www.gam.org.
6. Junior members are free and clubs are not charged for them as long as their correct birth date is entered into their profile. Junior members are defined by GAM as golfers age 6-18.
7. GAM member public clubs are billed twice annually. The first billing is based on the roster of active GAM members on July 15th; the second is on August 30th and will take into account any additions to the roster that have taken place since the July 15th billing. Rebate checks are mailed to qualifying clubs beginning on October 31st.
8. GAM annual club dues may be paid by check or by credit card.
9. Failure to pay dues within 30 days of the invoice date could result in inactivation of a club's Handicap System.
10. GAM member clubs must use the software provided by GAM to compute Handicap Indexes. Clubs may not run a separate handicap system from the GAM's system for the computation of Official Handicap Indexes.

I agree to the above terms of club membership with the Golf Association of Michigan
